Private Client Insurance

We recognise your personal assets are the most important things to you. We will take time to understand what those assets are and to ensure they are well protected via our bespoke Private Client Insurance Solutions.

Private Client Insurance

We have expertise insuring a wide range of personal assets with access to market leading insurers and policy wordings, delivering cost effective solutions and providing excellent cover to give our Private Clients 'peace of mind'.

We insure a wide range of personal assets including:

- **Buildings** - including your main residence, second or holiday homes, privately owned portfolios, estates and listed buildings
- **Contents** - including jewellery & antiques, items of high value, standard and nonstandard household items
- **Motor** - Private cars belonging to you and your family can be covered separately or under one policy including classic, vintage or prestige vehicles, trailers, motor homes or caravans
- **Collections** - Works of art, guns, wine, coins, medals and all other items of value or rarity
- **Travel** - Individual or family policies including sports and legal expenses
- **Marine** - including pleasure craft, jet skis, houseboats, yachts and associated equipment

Additional Services

We can provide a range of additional services delivered in house or through trusted partners. These services are in support of ensuring the effective protection of your assets, health and wealth.

- **Valuations** - We can provide insurance reinstatement/replacement valuations
- **Inventory** - We can undertake the compilation of contents inventory
- **Risk Management** - We can provide a range of risk management services such as security advice
- **Private Medical Insurance (PMI)** - We have a preferred partner who are specialists in arranging PMI on an individual or family basis

How we will help you:

- We will take time to review your current insurance programme
- We will seek the most appropriate policy for you and ensure it meets your requirements with no hidden conditions or clauses
- We deliver competitive premiums focussing on value for money
- We deliver the highest standards of personal service
- We will be your contact for all claim related matters
